

SECOND ANNOUNCEMENT

7th Apimedica & 6th Apiquality International Symposium

Sibiu, Romania. 11 - 16 October 2018

The meeting, organised by the Romanian Apitherapy Society (Apimondia member), in collaboration with Apimondia (the International Federation of Beekeepers' Associations), will address the most relevant issues pertaining to apitherapy and the qualitative aspects of the production/use of bee products and is open to researchers, medical doctors, pharmacists, biochemists, biologists, therapists, students as well as to beekeepers.

The symposium will include: oral presentations, a poster session, keynote speakers, specific sessions (active compounds, properties, pharmacology and clinical applications of hive products; clinical aspects in human and veterinary medicine; best practices; residues in hive products; alkaloids in honey and pollen; standards and frauds) and practical training (practical demonstration and clinical evidence of apitherapy; on-field standard tools; innovative systems for beehives and hive products traceability).

The general programme of the symposium is:

October 10, in the evening: Welcome Cocktail
October 11 (all day) + October 12 (until noon): Apiquality Symposium
October 12 evening: Social Dinner
October 12 (afternoon)-October 14: Apimedica Symposium
October 14 (afternoon): Technical Tour
October 15: Workshops
October 16: Technical Tour 2

Symposium venue:

<https://apimedica2018.org/general-information/congress-venue/>

List of hotels near the symposium venue:

- [Hotel IBIS Sibiu](#)
