

Soon, we will put online different ADKs (= Apimondia Digital Kits), compilation of PDF files with high added value information as:

ADK 1: Economic impact of bee pollination

ADK 2: Sources of international honey market statistics

ADK 3: EU accreditation for imported honey

ADK 4: Beekeeping legislation in different countries

ADK 5: Organic beekeeping standards

ADK 6: Description of different structures like FAO, COPA-COGECA, etc.

ADK 7: [Recognized effects of Agrochemicals](#)

[+ other topics following your proposals.](#)
